# General Rules

1. Each team must have a set captain for communication purposes.
2. Teams are co-ed. No more than 3 men on a team.
3. Each set will consist of 3 games. The first two games will be played to 25 and the third to 15. The game must be won on a serve and by at least 2 points. Rally scoring.
4. Refs will not be provided so please make sure that you are calling your own game. Play fair and be respectful!
5. 2 league-regulated sand volleyballs will be provided for all games.
6. Scores are to be communicated after each league night via Facebook messenger to Brooke so they can be recorded on the league website.
7. No spiking or blocking a serve, but a serve that hits the net and goes over is fair play.
8. Each team is responsible for finding their own subs, and for alerting the opposing team if they need to forfeit, as soon as possible. Makeup games can be scheduled between the teams if desired.
9. Everyone is responsible for their behavior, injuries, trash, etc. No one else can be held accountable as this is a public park and unofficial league. By signing up and paying your team fee you agree to these rules.

# Cash Money

Each team will be required to pay a \$60.00 fee.

This is due at the time of signing up your team to hold your spot.

I have decided to allow 8 teams as it seems like there is a large interest in having a second league. If we end up not getting 8 teams the payout amounts below will change accordingly.

There has never been a fee associated with using the volleyball court, however, I think it's important to support the city and the parks so I will be making a 75.00 donation to the city.

I will also be keeping a small \$15.00 fee for running & organizing as well as paying for the website to keep standings and schedules on.
